## Local Rules for Progressive Round Robin Competitions

- A. The courts will be provided for all teams and paid for by a team fee with the help of the clubs providing the courts.
- B. There will be at least one of the four teams at each venue composed of members of the club providing the courts, and that team can open the courts and turn on the lights.
- C. Teams must bring their own balls to each match. I suggest that every team carries a can of balls to each match and that one can is opened with the other 3 teams paying \$3 to the person whose can is opened.  
Cans of balls last a few months unopened.
- D. The match is a round robin with each team playing every other team. The order of sets is not important.  
Special result sheets will be provided.
- E. All games are played with only one advantage (maximum of two deuces). After the second deuce, the receiving team chooses a side for the last point. If there are females in the set, males serve to males and females serve to females for the last point where possible.
- F. Toss for serve and choice of end at the start of each set. To speed up play, unless there is a difference in the ends, there is no need to change ends during the set.
- G. The decimal scoring system will be used with 1 point for every set won and 0.1 points for every game won for each team.
- H. Players who are financial members of Tennis Wollongong (2013/14 or 2014/15) may be borrowed without restriction.
- I. Players can be of either gender.
- J. All members of teams must be financial members of Tennis Wollongong for the financial year 2014/15.
