

The Tennis NSW requirements for a return to community tennis.

The most recent version of the full requirements can be found at <https://www.tennis.com.au/nsw/>
This MUST be available at each court, and I strongly suggest that all team captains make a copy available to all players. These requirements are being regularly updated.

What this means for players is a continued emphasis on the hygiene measures and social distancing measures we currently observe in everyday life.

All players should download the CovidSafe app to their mobile phones, if possible.

Most importantly, if ANY player has been in contact with Covid-19, has been to a designated hotspot, or has symptoms of any respiratory infection, a temperature or any other illness THEY MUST NOT PLAY OR ATTEND THE MATCH.

Specifically:

Hand sanitiser and soap, paper towels and tissue are to be provided at each court.

You are encouraged to use your own personal sanitiser.

Hands must be washed before entering the court, and on exiting the court.

Minimise handling of the balls; balls should be placed on the service line at change of ends and returned to the server using feet and racquet rather than being handled.

Players should bring their own water bottles and place these on the court at least 1.5 m apart and teams should use the opposite sides of the court. Individual's bags and personal items should also be at least 1.5 m apart off the court.

Change ends around the other end of the net from the other team.

Maintain social distancing on and off the court; no handshakes, seating off court to be at least 1.5 m apart.

Only the players should be present at the courts. Social visitors are discouraged, but if they do attend their name and contact details MUST be listed on the back of the result sheet. Home teams are responsible for maintaining this record of all people present.

Most teams may have only have limited access to their club house. Please check with home teams as to whether tea/coffee etc. is available. It is suggested that players bring their own cups. Disposable cups are also an option, instead of washing up cups before and after use in hot water. Clubhouse toilet facilities are available for emergency use only, but the number of people in the clubhouse must be limited. Food should not be shared.

A full explanation of any disruptions to play, injuries or teams playing with reduced numbers should be recorded on the result sheet as usual.

Clubs registered as Covid Safe venues will have a unique Services NSW QR Code displayed in several locations throughout the venue.

Everyone must check-in BEFORE entering these venues by scanning the Services NSW QR Code and are obliged to show a committee member on request that they have signed in.

Those patrons without a smartphone are advised to be added as a dependant of a person who has checked-in with their smartphone.

If a team member catches Covid-19 or is a close contact to someone with Covid-19 making it not possible to put a healthy team on the court, that match will be treated as a washed out match. The team with the Covid-19 problem must fill in a result sheet for the match with the team names, the division and the date and put the names of the players who are not available and whether they have Covid-19 or are a close contact. The players can play again when they are able and when allowed by the current health rules. If both teams have Covid-19 players, they both must inform Tennis Wollongong of the players involved either by each putting in a result sheet listing their own players affected or putting all the players affected on the same result sheet.
